

This year, Island Dance presents their Annual Show entitled "NUMBER ONES!". There will be 3 Shows on 9, 10, 11th June at the Y-Theatre at Youth Square in Chai Wan (directly adjacent to Chai Wan MTR Station on the Island Line). You will be informed in April by email newsletter of which show your child will be performing in. Tickets will go on sale through Urbtix on 9th May. In preparation, please help us to take your child's measurements (PTO) and return to us with this completed form. Sampling will start shortly and as soon as we have the confirmed performer numbers, we will go into production. The cost per costume per class will be \$520. Please inform us as soon as possible if your child will NOT be taking part in the show.

At this time, we will also be taking advance orders for our Show DVD. Every year, we hire a professional videographer to record, edit and produce our DVD. To ensure that we order enough copies, do take this opportunity to place your order and indicate number of sets required. In order to have your child's costume ready in time for the show, please make payment by cheque to "ISLAND DANCE LIMITED" and return by mail to our office address (below) along with the completed measurement slip on or before 14th March.

**FORMS WITHOUT PAYMENT WILL NOT BE ACCEPTED**
